

NOTICE TO CREDITORS

RE: CENTRAL AMERICAN TIMBER FUND FCP SIF (in judicial liquidation)

Dear Madam, dear Sir,

At the creditors' verification hearing on February 2nd, 2024, the claims were analysed, and some of them were (partially) rejected. A letter was sent to those creditors whose claim has been (partially) rejected. If your claim has been (partially) rejected, you may introduce a court petition.

Should you want to submit a court petition, it must be written in one of the official languages of Luxembourg (French, German or Luxembourgish) and addressed to the *Tribunal d'arrondissement de et à Luxembourg* (Luxembourg district Court), at the following address:

Tribunal d'Arrondissement de et à Luxembourg, siégeant en matière commerciale
Cité judiciaire, 7, Plateau du Saint-Esprit, 1^{er} étage
L-1475 Luxembourg
LUXEMBOURG

Please note that as the liquidator of the fund, I am not entitled to give you any legal advice.

Should you wish to obtain legal advice, I suggest you contact a lawyer.

Please bear in mind that considering the limited available assets, the chances of recovering any assets – should the claim be accepted – are almost inexistent. Thus, there is a risk for you to incur expenses without receiving tangible benefits in return.

With kind regards,

The official liquidator

Alain RUKAVINA
